Work experience and academic degrees

2020- Excellent teaching practitioner (merittert underviser) at University of Stavanger.
2010- Professor in statistics at University of Stavanger, Department of Mathematics and Physics.
2000-2010 Associate professor in statistics at University of Stavanger.
2004- Advisor in statistics at Stavanger University hospital (20% position).
2005, nov.-des. Research stay at Centre for Advanced Study in Oslo.
1999-2000 Associate professor in statistics at Norwegian University of Science and Technology (NTNU), Department of Mathematical Sciences (deputy).
1999 PhD, Department of Mathematical Sciences, NTNU.
1995-1999 Research fellow at Department of Mathematical Sciences, NTNU.
1997-1998 Research stay at Department of Statistics, Stanford University, USA.
1994-1995 Military service as research assistant at the Norwegian Defense Research Establishment.
1994 Siv. ing. (master degree), in industrial mathematics, NTH (now NTNU).

Supervision

Co-supervisor for five PhD students and two post doc projects. Supervisor for numerous students on master and bachelor theses.

Various

Chairman of the Norwegian Statistical Association, 2015-2017. Member of the board of the Norwegian Statistical Association 2017-2019.

Member of the executive committee of the International Society for Clinical Biostatistics (ISCB) 2019-2020.

Member of the board of the national research school NORBIS since 2015.

Member of the evaluation committees for PhD students at Imperial College London, University of Oslo, Norwegian University of Science and Technology, University of Bergen and University of Stavanger.

Member of the organization committee and the scientific program committee for the ISCB-conference in Bergen 2012, and co-editor for a special issue of Statistics in Medicine based on work presented at the conference.

Elected member of the International Statistical Institute (since 2014), member of the American Statistical Association and member of the Norwegian Statistical Association.
